In re Application of	:	
Kuan-Lin Peng	:	
Application No. 09/888,488	:	DECISION ON REQUEST FOR
Filed: June 26, 2001	:	REVOCATION OF POWER
Attorney Docket No. MR2349-657	:	OF ATTORNEY

This is a decision on the Revocation of Power of Attorney and Appointment of New Power of Attorney filed on June 28, 2006.

The request is **NOT APPROVED**.

A power of attorney, pursuant to § 1.32(b), may be revoked at any stage in the proceeding of a case by an applicant for patent (§ 1.41(b)) or an assignee of the entire interest of the applicant under § 3.71(b). Fewer than all of the applicants (or by fewer than the assignee of the entire interest of the applicant) may only revoke the power of attorney upon a showing of sufficient cause, and payment of the petition fee set forth § 1.17(h). For the assignee to take action a proper Statement under 37 CFR § 3.73(b) is required.

The request cannot be approved because it fails to contain a proper Statement under 37 CFR 3.73(b). The revocation does not contain the reel and frame number of the assignment as recorded in the USPTO. Also, the title of the individual signing the revocation is missing. Therefore, a complete Statement under 37 CFR 3.73(b) must be submitted. A form for complying with the provisions of 37 CFR 3.73(b) may be found on the USPTO.gov website (Form No. PTO/SB/96).

All future communications from the Office will continue to be directed to the below-listed address until otherwise notified by applicant.

Telephone inquiries concerning this decision should be directed to Andrea Smith at (571) 272- 3226.
